

## New Website - [www.andaluciadelmar.se](http://www.andaluciadelmar.se)

The information on the Website is organised in five main sections, of which four are available to all website visitors:

**About us** – all information about Our apartments such as layout, photos and documents as well as Board Contact information is found here and The concept is explained. In addition there are links to other website pages for easier navigation.

Under the heading The concept there is information about FAMs's administration, our rules of conduct, our car policy and changeover dates.

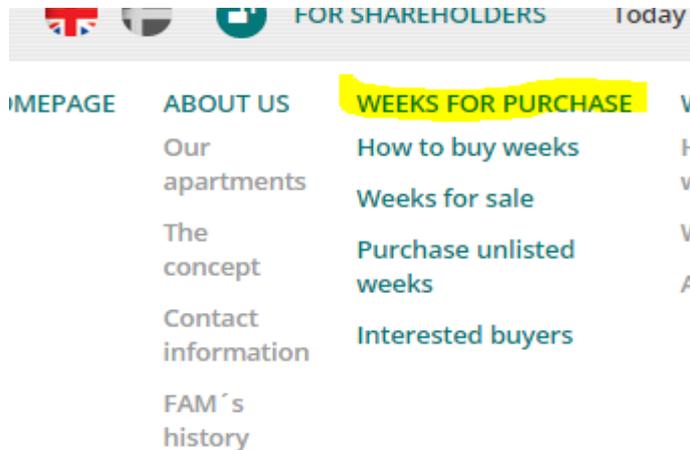

### *concept*

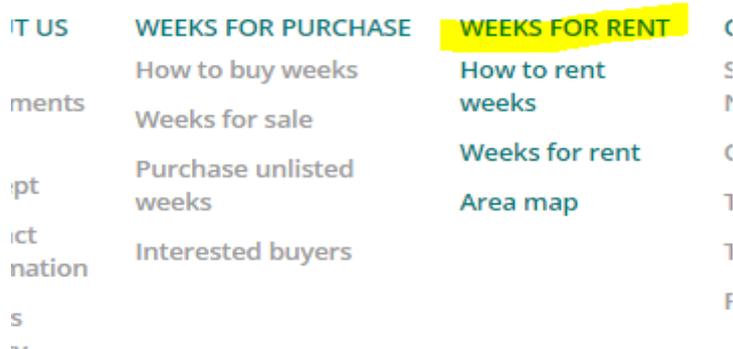

Fastighets AB Andaluca del Mar came to be in the mid 1970s when 8 Swedish limited companies each, on behalf of their shareholders, bought a two bedroom condominium in the complex Andaluca del Mar. These condominiums were built between 1978 - 1984 and range in size from 113 to 143 sq. meters. Click on [Our apartments](#) to see floor plans and related documents for each apartment.

**Weeks for purchase** – For those interested in purchasing listed weeks or want to communicate an interest in buying unlisted weeks the required information is found here. All available weeks are found under the heading Weeks for sale and an *interested to buy form* makes it easy to make a bid. To communicate an interest in buying unlisted weeks there is a form under the heading Purchase unlisted weeks. Upon submission there is a confirmation that the message has been sent on the screen as well as a detailed confirmation e-mailed to the sender.

**Weeks for rent** – For those who are interested in renting weeks all the required information is found here. All available weeks are found under the heading Weeks for rent and a *Reservation request* makes it easy to make an enquiry. Upon submission there is a confirmation that the message has been sent on the screen as well as a detailed confirmation e-mailed to the sender.

To facilitate quick access to the listings for the weeks that are for sale or available for rent there are "Shortcut buttons" on the homepage.

**On site** – Here the focus is on when in Spain or planning the trip and where Information about the [Service Office NAM](#) and what to expect [On arrival](#) or suggestions of what [To do](#) as well as practical matters such as [Travel information](#) and the [Price list](#) is found.
